# Parking Issues

Written by Chandre Furst

As we know that parking has become a main issue at CTU College for a while now. There is limited parking space at CTU and students find it hard to get decent parking for there cars or motorbikes. Security is the main concern for students when parking there cars or motorbikes. Students should park their

cars more close to each other so that there is more parking space available for other cars to park. I believe that this issue can be solved if we could work together. After all we are only benefiting ourselves by working together.

# Helping Hand

The whole CTU put a hand together to help a Family in need. We gather everything from toothpast to sweets.

We have thought of everything that the family is going to need. Thank You for all the students and Staff had partcipate.

Hiermee wil ons as gesin net baie baie dankie sê vir die wonderlike hulp wat julle almal aan ons gegee het met die kos wat julle vir ons gebring het. Dit het ons meer gehelp as wat julle ooit kan besef. Ons gaan tans deur 'n moeilike tyd met die sluit van ons winkel. Ons as duer se grootste bekommernis is altyd ons kinders. Tans het ons geen inkomste nie, en dus was die kos 'n wonderlike geskenk. Ons waardeer opreg al die moeite wat dit geveg het om dit als in te samel en vir ons te bring.

Ons wil vir almal wat gehelp het sê, baie dankie. Dit was regtig 'n wonderlike gebaar van julle almal.

Groete

# Blood Donation

Written By Talita van der

On the 24th of February CTU's Boksborg campus had a visit from the SABS (South African National Blood Service) team. A normal day at CTU turned out to be a very interesting day. For some a day to remember.

Both the staff and students participated in this Memorial Day. Most of us donated blood but for those who could not donate – it did not stop them to encourage their class mates. For some there was up and down moments, others had good and bad experiences and then there was smiling and worried faces. In spite of all the mixed emotions we as staff and students from CTU College in Boksborg can proudly pat ourselves on the shoulder for making this day successful.

Knowing that every drop of blood might just save someone else's life we seriously consider to have a few more, memorial days like this one

throughout the year. For those of you who missed out, you will still have the chance to perhaps help someone's life. Walt

# Shave A Thon

Written by Yolanda Schneider

It was a very dull day, but in the end of the day the collage was colorful. Some of the boys shaved all their hair

of and other people color their hair with spraying cans. We had alot of fun and we laughed alot.
